

ECG Electrodes

Quality ECG electrodes manufactured in the United States using high quality medical grade materials. Our ECG Electrodes are available in a wide range of shapes and sizes to accommodate many different monitoring applications. We can also work with you to create your own custom electrodes.

All ECG Electrodes are **Latex Free**, **Hypoallergenic** and exceed AAMI standards.

Features

- Low impedance Solid Gel providing excellent performance and easy clean up
- Silver/Silver Chloride (Ag/AgCl) coated sensors
- Stainless Steel industry standard snaps
- Latex free and hypoallergenic
- Private label packaging

Options

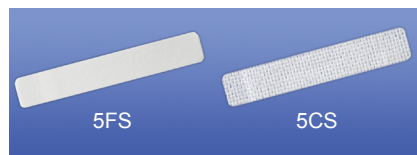

- Cloth Material available on most shapes
- Logo Tape to help market your product
- Develop custom shapes or specialty electrodes
- Packaging and shipping configuration flexibility to help maximize costs

Adhesive Strips

These 3" x 1/2" adhesive strips are ideal for securing lead wires to a patient and are made using the same medical grade materials used in our ECG electrodes.

The 5CS (cloth) and 5FS (foam) come 5 strips per card.

part number	size	per pouch ¹	per case ²	available in cloth
1000ZT	1.61" x 1.61" (41mm x 41mm)	30	1200	✓
1100ZT	1.61" x 1.61" (41mm x 41mm)	30	1200	✓

D2625	1.10" x 2.64" (28mm x 67mm)	30	1200	
TL225	2.21" x 1.54" (56mm x 39mm)	20	1000	
5CS	0.51" x 3.03" (13mm x 77mm)	30	1200	✓
5FS	0.51" x 3.03" (13mm x 77mm)	30	1200	

1. Standard pouch size of 8-1/4" x 8-1/4" with black monochromatic print. Other pouch sizes and quantities per pouch are available.
2. Standard shipping case 17" long x 10" wide x 9" high, pouches shipped bulk with no inside boxes.

TENS Electrodes

Prewired TENS electrodes available with a Black Carbon Film or a Tin conductive element.

part number	size	conductive element	top laminate	pieces per package
971904152	1.5" square	Tin	Tan Cloth	4
972504152	2" square	Tin	Tan Cloth	4

571402152	3" x 5" Oval	Black Carbon Film	Tan Cloth ⁴	2

4. Available in White Cloth, please contact us for part numbers and pricing.

5. Available in White Foam, please contact us for part numbers and pricing.

Tab Electrodes

part number	size	per pouch	per box	per case
TITAB	1.375" x .875" (35mm x 22mm) - 10 per card	100	1,000	4,000

Grounding Pads

Self-adhesive surface grounding pad with a 96" wire, 1.5mm female connection

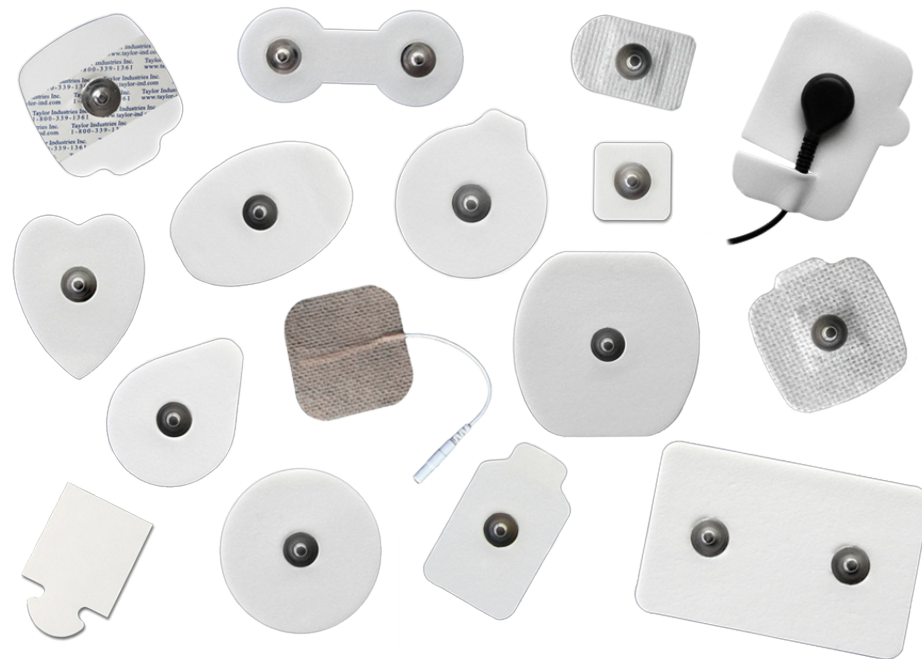

part number	size	per pouch	per box	per case
GP96	2" x 4" (51mm x 101mm)	1	30	120

Taylor Industries, Inc.

A Family Owned & Operated Company

ECG Electrodes • TENS Electrodes • Tab Electrodes

Taylor Industries Inc. is your Contract Manufacturing resource of quality ECG, TENS and Tab electrodes.

Our electrodes are available in a wide range of shapes and sizes to accommodate many different monitoring applications.

We can also work with you to create your own custom electrodes unique to your company.

If you are interested in bringing production in-house, visit us online at www.taylor-ind.com/production to learn more about our electrode production machines and packaging systems.
